SANA 27.5 DRAM HEMP CONTAINER

The Sana Hemp Container is a versatile child-resistant cannabis container with optimal space for branding and compliance labeling and a nesting design that allows for efficient stacking and storage. Ideal for flower, concentrates, vape cartridges, and edibles. Stores up to 3.5g of flower with a lid that doubles as a rolling tray. These containers are made from 100% plant-based hemp plastic. Our hemp plastic is 100% petroleum-free and chemical-free.
