

PRODUCT SPECIFICATIONS

FLEXIBLE
PCR POUCHES

We're proud to offer our customers fully customizable flexible packaging for cannabis flower, concentrates, edibles, and more. Our custom stand-up pouches are ASTM child-resistant certified, odor-resistant, moisture-resistant, and made from up to 65% post-consumer recycled (PCR) material. These customizable flexible pouches come in standard and custom sizes.. Our pouches are made in the USA using sustainable printing processes. All sizes have a MOQ of 5,000 units.

Customization Options

- Custom Printing Instructions & Dieline
- Pouch types: stand-up, 3-side seal
- Additional sizes and styles available upon request
- Tamper evidence: pouches must be torn open
